Across School Teacher Positions - Expressions of Interest 2021

Kia ora
The Waimea Kahui Ako is seeking expressions of interest from colleagues within our community in becoming part of our Across School Team. This is prior to the official application and appointment process.
We are seeking people who are great teaching and learning practitioners and who can work as part of a collaborative team to build capacity within our kura with the ultimate goal of raising student achievement.
This is an exciting opportunity to make a difference for our tamariki and to support and enhance the mahi of our teaching colleagues across the Early Childhood, Primary and Secondary sectors. Our current strategic goals are available on our website so think about how you may be able to contribute to one or more of these goals.

Three Across School positions are available at present. Each position comes with a 0.4 classroom release time, a salary increment and a travel / expense allowance to support the role. The initial tenure for the role is 2 years.
At least one of these positions will be tagged to further develop and understand the Learning Support Delivery Model across the Kāhui Ako.
All applicants will be required to meet the national criteria for an AST position.
These appointments will begin at the start of the 2021 school year.

If you think you may be interested in one of these positions please discuss this with your principal. It is vital that you have the support of your Principal and Board of Trustees to undertake the role.

We would be happy to discuss the Across School role with anyone who may be interested or who would like further information.

Please forward your queries and / or expression of interest to Glenda Earle glenda@brightwater.school.nz and Janine Higgins janineh@waimeaint.school.nz by Friday 24 July.

We look forward to discussing this role further.
